

ISO 9001

WE HAS PASSED ISO 9001 QUALITY SYSTEM CERTIFICATION, CE CERTIFICATION, SGS CERTIFICATION, CHINA WATER-SAVING PRODUCTS CERTIFICATION, BSCI CERTIFICATION AND SO ON.

Relying on local clay resource advantage and years' persistent operation in sanitary ware industry, we are committed to providing the highest level of customer service and a comprehensive product offering, endeavors to grow up into a leading sanitary ware manufacture with a global strategic vision and brand philosophy of diversification.

Advanced production technology and strict quality standards are the guarantee of our high quality products! Looking ahead, we persists with its guideline of "optimize function, user-friendly, and excellent quality" to achieve its goal of consistent growth that is characteristic of a world class business.

PRODUCTION PROCESS

QUALITY

Take 100% inspection of products to ensure the quality control. Strive for excellence at every production process. Ideal Standard's new collection is classy and practical, stylish and efficient.

PRODUCTION WORKSHOP

ENSURE EFFICIENT PRODUCT
COMPLETION

The glaze is made carefully with multiple filtrations to ensure it is white, smooth and pure. The efficiency is greatly developed.

Modern glazing production line, dust-free workshop, professional filtration technology, 100% glazing test record and excellent glazing technics.

INTELLIGENT SIMPLICITY

CLEAN

Vivid beauty simplifies what is complicated. What we need to do is to relax ourselves and keep drowning in the world of imagination.

When lightness designs space connect air. This is the comfortable living space that the designer fights for.

Double-shift Water Outlet

The design of Double-shift Water Outlet not only ensures the thorough cleaning, but also is water-saving.

Easy Assembly & Disassembly Cover

The cover adopts the technology of easy assembly & disassembly. It ensures the easy cleaning of the cover and nowhere for the dirt to hide.

Easy-cleaning Glazing

The glazing is carried out by high firing temperature so that the surface is smooth and easy to clean. The product always looks new even after long time using. There is no hard-to-reach places where bacteria can build up and odor can develop. Long-term cleanliness brings high-quality life experience.

Comfortable And Healthy

Because of high humidity, bathroom is the suitable space for microorganism growth. We choose the environmental protection material which can effectively remove the odour in the air and be good at disinfecting to ensure the bathroom's cleanliness and the fresh air. So we can enjoy a healthy bathroom life.

Mute Slow-down Seat Cover

Mute slow-down seat cover technology can reduce the noise, collision and breakage of the seat cover when it is closed.

Crystal Glaze

Crystal glaze is used with the new nano technology, and the firing temperature is strictly controlled over 1280 degree, which ensures the surface is greatly smooth, and no hidden, hard-to-reach places where bacteria can build up and odor can develop. Toilet is much easier to clean.

- 10% of normal cleaning time*
- 10% of normal detergent*
- 10% of normal water*

Antibacterial, Easy to Clean, Healthy
Scientific glaze formula ensures that the surface is hygienic and antibacterial.

Sewer Glazing

The inner surface of sewer is glazed so that the sewer is smooth and nowhere for dirt to hide, and no blocking any more.

MODERN FASHION

LOHAS

Wipe out all the superficialities, and show the essence of beauty. Pure colour pluses two flashing moulds. It would be romantic to match any furniture.

The texture of the glaze feels comfortable.
The accessory materials are of fine workmanship.

PULSE TANKLESS TOILET

- Temperature adjustment
- Automatic deodorization
- Intelligent power saving
- Nano antibacterial

Stability

Battery power supply can still be used normally under low water pressure or power failure

Tornado flushing jet hole helps remove dirt

Unique auxiliary impact force powerful impulsion

• Three advantages

Easy to install and repair.

Mounting bracket

Installation dimensions and outlet same as the traditional normal wall hung toilet, if the concealed cistern have problem, can replace the traditional normal wall hung toilet with our pulse tankless wall hung toilet directly.

No need power supply, no need recharging, just use double a battery which available in any market.

ELEGANT ROMANCE

CLASSIC

Design and functionality come together
to maximize space and light volumes
lend themselves well to describe
minimal shapes with pure lines.

A practical solution for those who
choose the washbasin framework. Just
for a better life.

ART BASIN

ROMANTIC

Based on geometry, a graceful curve is outlined. Simple romantic space, to show the nobility and purity of modernism. Perfectly conveys the temperament of sunshine, highlighting the elegant.

ART BASIN

Simple edges and frames, elegant and chic.
Lighting with glazed white, generous and artistic,
it satisfies modern people's endless pursuit of
home life.
